

# Pain Management Program

## Clinical Pain Rounds

(This rounds program is considered accredited for MOC Program Section 1: Accredited Group Learning credits)

**Wednesday March 29, 2017**

**0715 – 0830 hours**

**Room #A2-041, SJHC**

**Case 1: “Driving under the Influence of Drugs - A Physician’s Duty to Monitor and Report”**

*Presented by: Dr. Colin Phillips*

Objectives:

1. To examine case reviews of incidents and failures.
2. To review the relevant guidelines from CMPA, CPSO, CFP and CMA.
3. To explore practical ways to discuss and review with patients.

**Case 2: “Buprenorphine Inductions for Chronic Non-Malignant Pain.”**

*Presented by: Dr. Geoff Bellingham*

Objectives:

1. To explain the unique pharmacology of buprenorphine tablets compared to opioid agonists.
2. To describe the clinical use of buprenorphine for chronic non malignant pain.
3. To appreciate the challenges that buprenorphine inductions can pose for outpatient clinics.
