

Pain Management Program

Clinical Pain Rounds

(This rounds program is considered accredited for MOC Program Section 1: Accredited Group Learning credits)

Wednesday June 14, 2017

0715 – 0830 hours

Room #B3-655, SJHC

Case 1: “The Weird and Wonderful – A Review of Alternative Therapies in Chronic Pain Management”

Presented by: Dr. Colin Phillips

Objectives:

1. *To review the literature on several alternative therapies currently in use in Canada and to evaluate them.*
2. *To review the resources that may be available for such therapies.*
3. *To discuss how alternative therapies can be incorporated into practice at the St. Joseph’s Chronic Pain Management Clinic.*

Case 2: “CBT Treatment of Corneal Neuropathy and Other Forms of Neuropathic Pain.”

Presented by: Dr. Heather Getty

Objectives:

1. *To overview the nature and multimodal treatment of corneal neuropathy and other neuropathic conditions.*
2. *To examine the unique challenges involved in adapting CBT treatments for neuropathic pain.*
3. *To describe the integration of acceptance and change-based strategies in CBT treatments for neuropathic pain.*

CARING FOR THE BODY, MIND & SPIRIT SINCE 1869

Renowned for compassionate care, St. Joseph’s is one of the best academic health care organizations in Canada dedicated to helping people live to their fullest by minimizing the effects of injury, disease and disability through excellence in care, teaching and research.
