

INTERDISCIPLINARY PAIN ROUNDS

Date: Wednesday, November 29, 2017

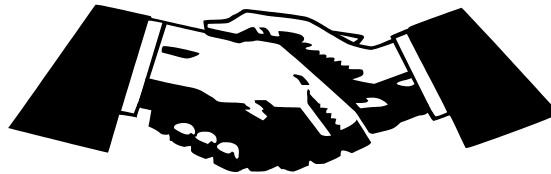

Time: 4:30-6:00 pm

Location: SJHC - Thompson Amphitheatre - Rm. B2-075

Speaker: Dr. Heather MacKenzie, Parkwood Institute, Department of Physical Medicine and Rehabilitation, Assistant Professor, Western University, Schulich School of Medicine and Dentistry.

Title: Traumatic Brain Injury

- Objectives:***
- 1) To discuss a clinical approach to headache following traumatic brain injury
 - 2) To review non-pharmacologic management strategies for post traumatic headache
 - 3) To review pharmacologic treatment options including interventional techniques

Interdisciplinary Pain Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
