

# Pain Management Program

## Clinical Pain Rounds

(This rounds program is considered accredited for MOC Program Section 1: Accredited Group Learning credits)

**Wednesday, January 22, 2020**

**0715 – 0830 hours**

**Room #B3-655, SJHC**

### **Case 1: “A Polypharmacy Case”**

*Presented by: Dr. Kate Ower and Denise Kreutzwiser*

**By the end of this presentation, you will:**

1. More readily recognize prescribing cascades and webs in the setting of polypharmacy
2. Be more cognizant of the need to wean off ineffective therapies before adding on more drugs
3. Have a better understanding of the role a pharmacist can play in polypharmacy assessments
4. Recognize how over-emphasis on drug therapy for the management of chronic pain can detract from the development/enhancement of pain self-management skills

### **Case 2: “Infectious Disease and Chronic Pain”**

*Presented by: Dr. Geoff Bellingham*

**Objectives:**

1. Identify infectious disease agents that can present as a chronic pain syndrome
2. Demonstrate awareness of the presentation of infections affecting the peripheral nervous system

CARING FOR THE BODY, MIND & SPIRIT SINCE 1869

Renowned for compassionate care, St. Joseph's is one of the best academic health care organizations in Canada dedicated to helping people live to their fullest by minimizing the effects of injury, disease and disability through excellence in care, teaching and research.
